Dear President Hartree,

It is with great sadness that we learnt of the recent passing of former AIMPE Federal President Terry Snee.

I know that Brother Snee was held in extremely high regard by seafarers in Australia throughout his quarter century leading your union and was renowned for his unwavering dedication to defending your members.

As a member of the ITF's Fair Practices Committee for 15 years, we will remember Terry's passionate commitment and major contribution to the trade union movement and the rights of seafarers around the world.

The entire International Transport Workers' Federation sends our heartfelt condolences to Terry's family, friends, colleagues and comrades.

Yours sincerely,

Stephen Cotton
ITF General Secretary
