Subject: Re: RIP Terry Snee

Thank you for passing on this sad news Martin

Please pass on my deepest sympathies to Terry's family and friends on behalf of the MUA and ITF

He was a fierce advocate for seafarers rights particularly the professional and industrial rights of engineers and officers

He was a very active internationalist and accepted his leadership responsibilities with gusto and robust advocacy

I have contacted the ITF and they will be making a statement of condolence on Terry's passing

Sincerely and in unity

Paddy Crumlin

MUA Secretary

ITF President
